Answered: 6 Skipped: 41

#	RESPONSES	DATE
1	We plan to do usatf this year since JO will be in oregon	10/30/2022 9:33 PM
2	More efficiently ran meet. The meet we attended in summer 2021 was awful, stood in line for hours trying to get a Covid test while there after being told just needed a negative one within 48 hours of the meet which we did.	10/30/2022 4:15 PM
3	Some Benefits to qualifying individuals, teams, head coaches and assistants such as admissions. housing and travel vouchers.	10/17/2022 9:34 PM
4	More support and communication especially concerning travel grants.	10/17/2022 8:00 PM
5	There is little to no Youth programs available. USATF website is sub par, there is no interaction, and no real reason to compete. I'd even love to compete as a Master athlete but there is little to no competition. We've even reached out to start youth programs and there is very little motivation from your end to make much happens it seems. I know everyone is busy and I understand, but you have to give people a reason to give their time, talents, and money to your organization.	10/17/2022 11:08 AM
6	Nothing. USATF has become more about the money than athletes.	10/17/2022 9:48 AM
